# Prom with a Purpose

## Youth Team Expectations

PWAP cannot run without its team and we need team members who are passionate about our mission and fully committed to helping the team achieve its goals.

Therefore, if you are part of the Prom with a Purpose Youth planning team, you are expected to:

- **Attend monthly meetings.** If you are unable to attend and can provide a valid reason you need to connect with Bethany Nolson to catch up on any missed information.
  - There is a lot of important and valuable information in these meetings. We need your contributions and creativity to make PWAP the best that it can be!
- **Actively pursue ticket sales** with your peers, youth groups, school groups, or other young people in your life. You are also responsible to purchase your own ticket at full or discounted price. The discounted price will be agreed upon with Bethany Nolson based on your contribution and commitment through the planning process.
  - The more tickets we sell, the more money goes to our organizations!
- **Read emails** and posted material from the team and **respond** when questions are asked or jobs are needed to be done.
- Work with Bethany to gain a deeper understanding of your gifting and **take on an aspect of the event** that fits well within your interests and skill set.
- **Act and speak in a respectful manner** in regards to PWAP, our organizations, the issue of human trafficking, and all those connected to our event.
